

MATERIAL SAFETY DATA SHEET

MANUFACTURERS NAME:	Brookville Manufacturing Company
ADDRESS:	PO Box 2332, Saint John, NB E2L 3V6
TELEPHONE:	(506) 633-1200
CHEMICAL NAME:	Dolomite
TRADE NAME:	Agricultural Ground Limestone (Aglime)
CHEMICAL FAMILY:	Limestone
CHEMICAL CONTENT:	MgCa(CO ₃) ₂
HAZARDOUS INGREDIENTS:	None Known
SPECIAL PROTECTION INFORMATION:	-In close quarters if excessive dust is present, suggest any dust mask. -Ventilate with normal air circulation. -Safety glasses or goggles recommended. -No other protective clothing or equipment is required under most circumstances.
SPECIAL REQUIREMENTS:	-None
PHYSICAL DATA:	-Non-toxic material. -Solubility in water – Insoluble. -Appearance – Blue-Grey. -Odour – Non-Detectable -Specific Gravity – 2.8 (H ₂ O = 1) -Boiling Point – NA -Vapour Pressure – NA -Vapour Density – NA -% Volatile – NA -Evaporation Rate – NA
FIRE & EXPLOSION HAZARD DATA:	-None Known
HEALTH HAZARD DATA:	-Non-toxic. -First Aid Requires Washing Affected Area With Clear Water. -Dust Hazard (Nuisance Particles).
REACTIVITY:	-Stable Compound. -Reacts With Acids. -Generates CO ₂ When Reacting With Acids. -No Hazardous Polymerization Will Occur.
SPILLAGE OR LEAKAGE PROCEDURES:	-Can Sweep up or Vacuum as Any Conventional Cleaning Method. -Avoid Creating Excessive Dust. -Dispose of In Any Conventional Method.

RAW PRODUCT QUARRIED AND MANUFACTURED AT 1360 ROTHESAY ROAD, SAINT JOHN, NB, CANADA
